

# U-14/13 and U-10 Girls proceed to nationals

It was an awesome soccer tournament! Things couldn't have gone any better for the all girl tournament teams. They brought home first place in two age divisions: the girls U-14/13 and U-10. It was a struggle in the 95 degree heat, but the girls kept their heads cool and in the game. They have been practicing

hard, and it shows. No mercy was shown to the South Carolina rec. and select teams. By winning this tournament they qualify for nationals which is in Orlando in July. The girls next tournament is in Chattanooga, TN, where they hope to bring victory home again. **GREAT JOB GIRLS!**

## First annual Mobility-Impaired Bass Tournament

Hey all you bass fishermen and women, do you know someone that loves to bass fish but has a physical challenge that is keeping them from enjoying the sport? Well, here is

the chance to get out there and enjoy bass fishing at its finest. For the first time, several local bass fishing groups are donating their time and boats to take disabled men and women fish-

ing.

That's right, on August 14th, on Lake Chatuge the first annual mobility impaired bass tournament will take place. You may ask, what constitutes being mobility impaired? Okay, if you or someone you know who loves to bass fish uses a wheelchair, cane braces, etc. to ambulate, then this tournament is just for them. We will be pairing up a disabled fishing partner with a boat partner to fish as a team, and that team will compete against the rest of the field for top honors. Based on a full field of teams, which is limited to 20 teams, the winners are guaranteed a 100% payout, plus we will be paying for the biggest bass, also. Okay, if you are ready to have a great day on the lake, plus, put some greenbacks in your pocket, you need to sign up for this event. The deadline to sign up, that is August 1st, but I wouldn't wait that long because when the 20 teams have signed up, that's all that can fish this tournament.

The entry fee is \$60 per team, that's only \$30 per team member. Dinner will be served at the Senior Center in Hiwassee on the 13th, the night before the tournament. I heard a rumor it's BBQ. Lunch will be provided to each team fishing the tournament. Here's how to get your applications: you can either call (706)379-1990 and speak to Rodney Anderson or email him at quadzilla@windstream.net and he will see to it that you are taken care of. So, folks, let's get out there and catch them bass; they are waiting. See you on the water! NT(Jul7,X1)SH

## HARVICK WINS DAYTONA DEMOLITION RACE

Daytona Beach, FL - Kevin Harvick won the wild CokeZero 400 Saturday night at Daytona International Speedway, by managing to dodge wrecked cars that left more than half the field beat-up or out of the race.

"You're going to have that (wrecks) on green-white-checked finishes," said Harvick. "I think the only car that didn't have (fresh) tires tonight was the 33 (of Bowyer). Some of them had two, and four tires is the way to go. So you have a mixture of that stuff. So you have cars that are able to take pushes a little bit better and be able to keep the throttle down wide open getting into the corners."

The stage for a green-white-checked finish was set with one lap to go when Sam Hornish, lost control of his Dodge and clipped Kurt Busch, damaging both cars.

Harvick's teammate, Clint Bowyer, was leading on the restart but got tangled up down the backstretch and spun out of contention. It was a tough break for Bowyer, who appeared to be heading for his first Daytona victory.

"It was every man for himself at that point," continued Harvick. "You know the guys behind you are going to push you as hard as they can. So if I'd slowed down to let him in or something like that, it would have just given the other line more momentum. At that point you just hope your line goes faster than the other line."

"Tonight we were in the right line, on the bottom, and it wound up working out."

Kasey Kahne finished second and Jeff Gordon. Dale Earnhardt, Jr., was fourth after running poorly most of the night. Jeff Burton was fifth after being involved in a multi-car crash that red-flagged the race for nearly 20 minutes.

More than 20 cars were involved in this accident, which had debris scattered for more than half-a-mile on the track. In fact, many of the frontrunners in the race were eliminated, including Juan Montoya, Tony Stewart, Jimmie Johnson, Brad Keselowski, Ryan Newman and others.

Carl Edwards finished sixth, followed by Kurt Busch, whose Dodge looked like a candidate for the junkyard.

Rounding out the top-10 were Reed Sorenson, Mike Bliss and Scott Speed.

Top-12 Chase contenders with 8 races before the Chase begins: 1. Harvick-2684, 2. J. Gordon-2472, 3. Johnson-2459, 4. Kurt Busch-2439, 5. Hamlin-2400, 6. Kyle Busch-2376, 7. Kenseth-2322, 8. Burton-2319, 9. Stewart-2251, 10. Biffle-2234, 11. Earnhardt-2177, 12. Edwards-2170

## Dale Jr gets emotional win

Driving the No. 3 Wrangler Chevrolet in honor of his late father, Dale Earnhardt Jr. broke a NASCAR Nationwide Series drought of almost four years in winning Friday night's Subway Jalapeno 250 NASCAR Nationwide Series race at Daytona International Speedway.

Earnhardt's emotional win was the result of a collaboration between owner Richard Childress, Teresa Earnhardt, JR Motorsports and Hendrick Motorsports, which supplied the engine for the No. 3 car.

The victory, the 23rd of Earnhardt's career, was his first in the series since Aug. 19, 2006, when he took the checkered flag at Michigan. It was his first points win in any of NASCAR's top three series since June 15, 2008, when Earnhardt captured the LifeLock 400 NASCAR Sprint Cup race, again at Michigan.

"I was so worried that I wasn't going to win, 'cause nothing but a win would get it—for everybody," Earnhardt said after getting hugs from Childress, crew chief Tony Eury Jr. and a multitude of others in victory lane. "If we didn't win, what a waste of time..."

"I worked hard to try to win, not only for daddy—I'm proud of him going to the Hall of Fame, and he would be proud of this, I'm sure—but just all these fans. I hope they enjoyed this. This is it—no more '3' for me. That's it."

"It's emotional. I'm proud of myself. I'm proud to have done what I did with this group."

Top-10 points leaders after 17 of 35: 1. Keselowski-2806, 2. Edwards-2529, 3. Allgaier-2318, 4. Kyle Busch-2291, 5. Harvick-2163, 6. Menard-2077, 7. Logano-1933, 8. S. Wallace-1922, 9. Gaughan-1895, 10. Lefler-1839

## Local Racing Action

Since returning to racing after a couple years away, Ricky Smith has been winning a lot this year.

## Rodney Peters earns \$1,500 for Southeastern Sportsman Series victory

Social Circle GA driver Rodney Peters took his outside pole setting Monte Carlo to victory Saturday night at Tri-County. Peachtree's Jamie Oliver set fast time with a lap of 14.144 to Peters 14.156. After two attempts to take the green flag, on the third, Peters took the lead with Oliver stuck to his bumper like glue. The two raced that way for all 35 laps with Oliver dropping to the inside, up to the front fender, lap after lap but could not get past Peters. While that was going on, Danny Ledford, Kenny Collins and Parker Herring were battling for third through ever turn on the super fast clay oval. Per Southeastern Sportsman Series rules, the top three cars must go over the scales and then pull to a designated area for post inspection by series officials. Series president, Randy McCoy said Oliver did not stop for inspection as stated in the rules and dropped him from second to the last car on the lead lap. That moved every body up one position. The finish order was posted as,

Rodney Peters, Danny Ledford, Kenny Collins, Parker Herring, Bobby Panter, Wesley English, Charlie Parker, Preston Crisp, David Conner, Jamie Oliver, Mack English, Bubba Russell and Daniel Wilson.

Morgantown driver Kevin Sutton blasted around the track with Copperhills's Jason Deal rubbing bumpers all night. As the checkers fell, it was Sutton, Deal, Kevin Bradshaw, Tony Ledford and Trevor Parker in the top five.

It was another big field going for the win in the Cornwell Tools Modified Street feature, as no one could keep Brasstown's Greg Sudderth from taking another victory. Mike Bryson, Charles Devine, Heather Taylor and Floyd Self rounded out the top five positions.

The Street Stock feature saw Hiawassee's Ricky Smith hold on to his points lead with victory in his Camaro in front of Harold Garrett, Josh Roberts, Charles Toomey and 70 year old Clark Molster.

At the finish of the Mini Stock feature, scoring showed Blairsville's Shannon Jones

leading Marty Clark, Doug Thompson and Josh Stapler across the finish line.

A large crowd enjoyed the annual fireworks show that lit up the sky as patriotic music play over the speaker system.

Ray Cook is having his best year ever and that is quite a feat after the year he had last year. Driving the Masterbuilt Ford Fusion, Cook this week on the Lucas Oil Series during the Fourth of July three race-tout won \$10,000 Thursday night at Berkeley Speedway in West Virginia as he held off the challenge of Jimmy Owens.

On Friday, an off day of the Lucas tour, he won the \$10,000 Jim Dunn Memorial at Midway Speedway in Ohio. Returning to the Lucas tour on Saturday, Cook led the first 45 laps of the 50 lap race at Muskingum Speedway in Ohio before Earl Pearson JR got around him for the win. He raced Sunday night at Portsmouth Raceway in Ohio, but the results will not be released before press time.

Benji Cole was the winner Saturday night at Toccoa Speedway. Frank Ingram raced his way to victory at Dixie Speedway. Hall of Fame driver Ronnie Johnson won \$2,000 at North Georgia Speedway. Blairsville driver Jamie Lunsford raced to a ninth place finish in the Limited feature.

Former Union County student Chase Elliot inherited the Miller Lite 100 win at Mobile International Speedway last week when Augie Grill was disqualified when a post-race inspection turned up illegal cylinder heads on Grill's car.

Blairsville driver Brian Kinnersley had his motor that was protested last week at Cleveland Speedway declared legal this week. T(Jul7,G2)SH
