Lady Indian's Middle School Softball

New middle school softball coach Jeff Stowers and his Lady Indians swung into the season against the White County Lady Warriors hoping to take home a win. While on the Warriors' side of the mountain, their pitching proved to be more of a challenge as the Lady Indians could not seem to follow through with the rise ball pitching of their team. With an attempt from Kacie Luton to steal second base, Morgan Bradley was able to score the Lady Indians' only run of the game. The Lady Warriors took the win, 6-1.

Emily Ledford pitched for the Lady Indians, tossing 87 pitches, striking out one, walking five and hitting six batters.

Carly Gilfilian went 2-for-3 with a double and a single, while Kacie Luton went 1-for-3 with a single.

Commerce Lady Tigers versus the Lady Indians

The Lady Indians squared off against the Lady Tigers of Commerce on their home turf. The Lady Tigers jumped off to a 4-0 lead after two innings.

The Lady Indians began to get in the game by the third inning as Carly Gilfilian scored a run to narrow the gap 5-1.

In the fourth inning, Kristen Henson, Brooke Smith, Alyssa Pyle and Madison Landress drove in runs to make the score 7-5. The Lady Tigers chipped away and mounted a 10-7 lead.

However, in the sixth inning the Lady Indians tied the game 10-10. Nevertheless, some erratic defense proved costly as the Lady Tigers rallied to take the game 13-10.

Tori Morgan pitched for the Lady Indians, tossing 100 pitches, striking out one, walking seven and hitting a batter.

In the hitting department, Kristen Henson went 1-for-5, Carly Gilfilian went 1-for-5, Morgan Bradley went 1-for-5,

Tori Morgan went 1-for-5, Kacie Luton went 1-for-4, Emily Ledford went 1-for-4, Brooke Smith went 1-for-4, and Madison Landress went 1-for-4.

Lady Indians versus the Lumpkin County Lady Indians

Towns County's matchup with Lumpkin turned out to be the shortest game of the season so far, ending in the third inning with Lumpkin the victor by a score of 10-2. With outstanding pitching and hitting from Lumpkin County, it was tough for Towns County to get on track.

Alyssa Pyle and Kristen Henson scored the only two runs of the game for Towns County.

Emily Ledford pitched for the Lady Indians, tossing 73 pitches, striking out four, walking three and hitting two batters.

Henson went 1-for-3 and Pyle went 1-for-2.

Lady Indians versus Prince Avenue Christian Lady Wolverines

The Lady Indians and Lady Wolverines locked up in a pitching duel.

Both pitchers kept batting to a minimum. Lady Indians' Emily Ledford and her pitching opponent from PAC were consistent, both retiring batter after batter.

The tough thing about a ball game, well, someone has to lose. Unfortunately, the Lady Indians came up short in this contest, 2-1. The Lady Indians really didn't lose; they just ran out of innings.

Ledford tossed 79 pitches, striking out an even dozen, while walking three and hitting two batters.

Lady Indians versus Oglethorpe County Lady Patriots

This one didn't last long as the Lady Patriots made quick work of the Lady Indians in an 11-0 win.

and timely hitting. It's hard to score when you can't get on base and the Lady Patriots were able to keep the Lady Indians off the base paths. Oglethorpe County by far is the toughest team the Lady Indians have faced all season.

Emily Ledford tossed 105 pitches, striking out four, walking seven and hitting a batter.

Lady Indians versus George Walton Lady Dawgs

It didn't take long for the Lady Indians to find themselves in yet another close ball game. In the first inning with Carly Gilfilian on first base, Tori Morgan hit a triple to bring her home for the first run of the game. The Lady Dawgs struck for three runs to take a 3-1 lead.

Nevertheless, Joceyln Byers and Morgan Bradley both came through in the clutch with back-to-back doubles to tie up the game at 3-3.

In the fourth inning, the Lady Indians took the lead with an RBI by Alyssa Pyle making the score 4-3. The Lady Indians held that lead for awhile, but in the sixth inning, the Lady Dawgs mounted a rally that lifted them to a 6-4 win.

Tori Morgan tossed 74 pitches for the Lady Indians, striking out two and walking three.

Gilfilian went 1-for-4, Tori Morgan went 2-for-4, Joceyln Byers went 1-for-4 and

Lady Indians versus White County Lady Warriors

The Lady Warriors came to our side of the mountain for a rematch game. The results didn't change much from the season opener. Carly Gilfilian plated the Lady Indians only run of the game in the third inning. The Lady Warriors claimed this game with a final score of 8-1.

Facing Athens Christian, Commerce and Lumpkin schools again in upcoming games, the Lady Indians still have a chance to put themselves in the winners circle. Here's hoping the Lady Indians pull together as a team, step up to the plate, and show what they are capable of doing on the diamond.

2nd Annual Top of Georgia Classic Tournament

Sandy Morgan

The last hurrah of August proved quite a weekend to watch a lot of softball. There was plenty to watch as the Towns County Lady Indians and Coach Shannon Floyd hosted the Second Annual Top of Georgia Classic Softball Tournament.

A total of six teams made up the list of participants who came to Towns County to take part in the inaugural tournament.

This year the number of teams doubled to 12 including Towns, Gainesville, Paideia, North Cobb Christian, Athens Christian, Mt. Pisgah Christian, Lumpkin County, Pickens County, George Walton, Chestatee, Commerce, and Banks County. Each team brought a load of talent to the table.

The tournament was played at Young Harris College, Towns County High School and Towns County Recreation Fields.

The tournament was divided into two brackets: silver and gold. All teams in both brackets came poised to take home a trophy. Our own Lady Indians didn't figure in the final mix. Errors proved costly to the Lady Indians as they failed to break into the win column. At the end of the day, the Lady Indians were challenged by the winners of the silver bracket: Mt. Pisgah Christian Lady Eagles.

The game proved to be by far the best the Lady Indians have played all season. The Lady Indians pulled together and showed a lot of heart to come within a run of the Lady Eagles.

The difference in this game, just to name a few: first baseman Ali Bleckley made a throw to catcher Kayla Roberts who caught the ball in mid air and tagged the Lady Eagles' runner at home for an awesome

out. With bases loaded for Towns County, Brittany Boyer drove in a run with a hard hit to second base to narrow the gap 4-3 Mt. Pisgah Christian. The Lady Eagles claimed the win as well.

"Had we played at that level (throughout the season) we would have been undefeated at this point," Coach Floyd said.

It just proves the point that if you play as a "team you can win as a team."

In the silver bracket game, Mt. Pisgah Christian topped North Cobb Christian by a 4-1 score. In the gold bracket game, Lumpkin County upended Banks County 6-1 to win that bracket.

Coach Floyd would like to thank Young Harris College, Towns County Recreation De-

partment and the Towns County Schools for hosting this year's tournament. Also, Coach Floyd extends a big thank you to all the teams that participated in the tournament.

It was a very successful tournament, with hopes it will only grow from year to year. Coach Floyd would also like to encourage everyone to support the Special Local Option Sales Tax when it appears on the local ballot to support Towns County's new recreation park facilities. The new park could be the host of many tournaments for years to come and be very profitable to our community. This weekend's tournament was able to bring in much needed revenue for many of our local businesses.
