

## Indian JV's get first win over rival Union County

By Jerry Kendall  
Towns County Herald  
tcherald@windstream.net

It just doesn't get any better than last Saturday's rousing come from behind victory by the Towns County Indian JV's over their arch rival, the Class AA Union County Panthers. While attracting much attention with inspiring play in their three earlier games at Dawson County, Hiwassee Dam, and Hayesville, that first win had eluded them but they got that monkey off their backs in their home opener against their biggest rival.

When Union used deadly 3-point shooting to spring out to a 12-2 lead which eventually became 19-6 by the four minute mark of the second quarter, hope for an upset victory seemed to be dim for that first win of the young season. The Panthers had included four treys in less than five and a half minutes at the start of the game and five for fifteen of those first 19 points.

When the visiting Panthers' hot shooting cooled off significantly, however, the Indians would dominate the remainder of the game. Austin Wood triggered a 16-2 run with a jump shot at the 3:25 mark with back to back treys by Grand Arencibia in just eighteen seconds near the two minute mark and three point plays by Ryan Tallent and Dallas Manus highlighting the run. Tallent's three point play got the Indians a 19-19 tie and Manus got them a 22-21 lead although Union sank a field goal at the buzzer for a 23-22 lead at intermission.

A trey by Arencibia just thirty two seconds into the third quarter got the Indians ahead 25-23 and another by the sharp shooting eighth grader

gave them a 30-27 lead they would never relinquish at the 5:44 mark. This trey triggered a 12-0 run for a 39-27 lead which would become 39-29 at quarter's end. After Aaron Dodson opened the fourth quarter with a trey for a 42-29 lead, the Panthers sent the Indians to the foul line nineteen times where they had struggled in prior games but they sank thirteen of the nineteen for excellent 68.4 percent accuracy. They led by as much as 56-38 before closing out a re-sounding 57-41 victory.

Leaders in scoring for the game were Arencibia with 18 points, Manus with 12, Brett Barrett with 6, and Wood with 5. Leading in assists according to your reporter's unofficial totals were Manus with 3 and Tallent with 2. Tallent performed a bit of double duty, playing a couple of quarters in the JV game and remaining eligible for three more in the varsity game.

While Arencibia and Manus carried the majority of the scoring load, this was truly a team victory as evidenced by ten of eleven Indians playing in the game entering the scoring column and the eleventh player, Steve Bennett, entering the rebounding column. Bennett, a freshman, is the tallest player on an overall very tall team in his first year of basketball and, although not yet entering the scoring column, he has drawn praise for his rapid improvement in just a few weeks of practice and games.

Last Tuesday, the Indians had provided another strong performance at Hayesville with the Yellow Jackets breaking open a close game in the fourth quarter for a 47-35 victory. A hot start for the Yellow Jackets gave them a lead they would

never relinquish but the Indians battled from behind to within a single point early in the fourth quarter before Hayesville closed out the game with a strong run.

The Yellow Jackets opened the game with a 10-2 run but the Indians closed the first quarter with a 7-2 run of their own for just a 10-7 deficit by quarter's end with Slade Davenport contributing the first two and the last two points of the quarter. The Indians then trailed by just a 17-13 score before the Yellow Jackets closed out the second quarter with the final four points for a 21-13 lead at halftime.

Hayesville spurted out to a 27-14 lead by the five minute mark of the third quarter but here came the Indians again. A field goal by Davenport, two free throws by Garrett Bradshaw, a trey by Grant Arencibia, a basket by Luke Parker, a drive for two and then a trey by Arencibia, and a free throw by Brett Barrett between the 4:41 and 26.6 marks of the quarter gave the Indians a 15-5 run and just a 32-29 deficit.

The Jackets closed out the third quarter with a put-back for a 34-29 lead but Austin Wood sank a pair of field goals during the first minute and five seconds of the fourth quarter and the Indians were knocking on the door, trailing by just a 34-33 score. The Jackets once again responded to the challenge, however, with ten straight points and an eventual 47-35 victory.

Eight of 10 Indians playing in the game entered the scoring column with leaders being Arencibia with 11 points and Davenport with 7. Leading in assists was Dallas Manus with 5.

## Lady Indian JV's surge past Hayesville, fall to Late Union County rally

By Jerry Kendall  
Towns County Herald  
tcherald@windstream.net

Hayesville, NC - The Towns County Lady Indian JV's roared past the Hayesville Lady Yellow Jackets last Tuesday night in Hayesville before seeing a fourth quarter rally by Union County in the TCHS Gym propel the Lady Panthers past the Lady Indians on Saturday afternoon. The week's play left the very young Lady Indians with a 2-1 record for the season.

At Hayesville, Stephanie Patton poured in eleven first quarter points and Kelsie Cowart ten as the Lady Indians exploded out to a 13-0 lead barely two minutes into the game and a 25-3 lead in just five minutes before closing out the quarter with a 25-7 lead. Patton and Cowart each sank a pair of treys among their production with Patton including a long deuce as well. Eryn Cochran, playing in just two quarters to be eligible for three quarters of varsity play, contributed the other four points and four assists in that explosive first quarter.

## Pickin' in the Holler

Come on down to Main St. in Hiwassee and join us Saturday, December 11, 2010, and the Freedom Band. We're asking everybody to bring a covered dish, if you wish. We're going to have a meal and a pounding! Bring a canned food and a toy. We're going to give the food and toys to a needy family. We may even get enough to where we can help several people, and that's what we are trying to do. NTDec7,F1)SH

The Lady Indians extended their lead by smaller margins in each quarter after that, leading 29-10 at intermission and 37-16 after three quarters on the way to a 47-20 conquest. Highlights for the remainder of the game included six points by Patton in the third quarter and five in the fourth while Emily Anderson scored four in the fourth.

For the game, Patton included four treys among her team leading 24 points, Cowart finished with 13 points, and Anderson scored 6. Cochran contributed 6 assists in two quarters of playing time and Patton added 4. Much appreciation is extended to Sara Cochran and Steve Patton for providing information about first quarter action as your reporter missed seeing most of that stanza.

Against Union County, the Lady Indians sprang out to an 8-2 leads in the first quarter behind four points each by Eryn Cochran and Stephanie Patton and extended the lead to 17-9 by halftime, holding Union to just one field goal the first half. Four different Lady Indians

put points on the scoreboard in that second quarter with McKenzi Moss leading the way with five.

With Cochran playing in just the first two quarters to be available for three quarters in the varsity game, the Lady Panthers rallied for a 19-19 tie at the 3:13 mark of the third quarter. Moss nailed a 3-pointer at the 2:37 mark, however, to get the Lady Indians back in front 22-19 and they held a 23-20 advantage entering the fourth quarter.

The fourth quarter belonged to the Lady Panthers, however, as they scored the first nine points for a 29-23 lead and they closed out a 35-27 victory with accurate free throw shooting. Actually, the last two points in the nine point run were the first two of eight for ten free throw shooting by Union the final 2:39 of the game.

Patton and Moss led the Lady Indians in scoring for the game with 9 and 8 points respectively with Destiney Blythe, Moss, and Patton contributing 1 assist each according to your reporter's tally.

## A Great Big Thank You!

On behalf of The Towns County Chamber of Commerce, I would like to express a sincere "Thank You" to all who worked so hard to make this year's Christmas Tour of Homes an unforgettable event. The homeowners who so graciously opened their homes for the tour provided a wonderful experience for all who visited. Several homeowners who have previously opened their homes for the tour also provided invaluable advice and assistance to this year's participants. We also need to thank all of the designers and merchants who joined together with us to make our first ever Decorators' Show House special. Thank you to the Towns
